Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 04 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Chilly but dry with clear spells for tonight.

This Evening and Tonight:
A dry night across the region, with some cloud patches during the evening gradually breaking up and clear periods to follow. Turning chilly overnight with fog patches likely to develop in prone spots. Minimum temperature 5 deg C (41 deg F).

Saturday:
A dry and mostly sunny morning across the region. Feeling pleasantly warm in the sunshine. Turning cloudier later, with some isolated showers in the west, during the night. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Sunny spells and the odd shower on Sunday. A greater chance of some showers on Monday and Tuesday. Feeling warm, especially in the strong sunshine.
